

# Great Big Kiss

Johnny Thunders

Great Big Kiss  
Here comes my girl  
Walkin down the street  
Look how she walks  
She gotta dancin beat  
Big wavy hair  
A little too long  
All day long,  
She's singin a song

And when I see her in the street  
My heart takes a leap and skips a beat  
Gonna walk roght up to her  
Give her a great big kiss  
Wham!

Tell her that I love her  
Tell her that I care  
Tell her I always be there

Hey, what color are her eyes?  
I dunno, she always wears shades  
Hey, Is she tall?  
Well, I gotta look up  
Yeah, well they tell me she's bad  
She's good bad, but she's not evil

(Tell me more, tell me more)

Bought myself a sweater  
Thought it match her eyes  
Dirty fingernails  
Oh boy, what a prize  
Tight khaki pants  
High button shoes  
She's always lookin  
Like she gots the blues (or born to lose)

And when I see her in the street  
My heart takes a leap and skips a beat  
Gonna walk roght up to her  
Give her a great big kiss  
Wham!

Tell her that I love her  
Tell her that I care  
Tell her I always be there  
Tell her I always be there  
Tell her I always be there  
Oh, what the hell

Is she a good dancer?  
Waddy mean, is she a good dancer?  
Well, how does she dance?  
Close, very very close

(Tell me more, tell me more)

Bought myself a sweater  
Thought it match her eyes  
Dirty fingernails  
Oh boy, what a prize  
Tight khaki pants  
High button shoes  
She's always lookin  
Like she gots the blues (or born to lose)

And when I see her in the street  
My heart takes a leap and skips a beat  
Gonna walk roght up to her  
Give her a great big kiss  
Wham!

Tell her that I love her  
Tell her that I care  
Tell her I always be there

Tell her I always be there  
Tell her I always be there  
(Shout....whoahs....yeas....ooohs.... I gotta always  
be there...)

Always and forever
