

# I Love You

Johnny Thunders

When I look in your eyes  
I see words I can't describe  
And these words I'm telling you  
And I tell you I love you

Oh don't try to put me down  
Oh just because my back is turned around  
I'm playing it straight for once  
Cause baby I love you  
I really do  
There's no one like you  
Baby I love  
Baby I love you  
No matter what I do  
Baby I love you  
And I tell you I love you

Oh don't try to put me down  
Oh just because my back is turned around  
I'm playing it straight for once  
Cause baby I love you  
I really do  
There's no one like you  
Baby I love
