

I Love You

Johnny Thunders

When I look in your eyes
I see words I can't describe
And these words I'm telling you
And I tell you I love you

Oh don't try to put me down
Oh just because my back is turned around
I'm playing it straight for once
Cause baby I love you
I really do
There's no one like you
Baby I love
Baby I love you
No matter what I do
Baby I love you
And I tell you I love you

Oh don't try to put me down
Oh just because my back is turned around
I'm playing it straight for once
Cause baby I love you
I really do
There's no one like you
Baby I love
