

I Wanna Be Loved

Johnny Thunders

Well won't you listen baby
To what I wanna say
I'm so crazy 'bout you
I don't wanna play

I wanna be loved
Be loved by you
I wanna be loved
Be loved by you

You crawled your way to the top
I don't care if you're a flop
I'll do what I gotta do
To take care of you

I wanna be loved
Be loved by you
I wanna be loved
Be loved by you

Chorus (2x)

You can change my eye
You can change your time
You can do what you want
You better read between the lines

I wanna be loved
Be loved by you
I wanna be loved
Be loved by you

Chorus (2x)
