

# Looking For A Kiss

Johnny Thunders

When I say I'm in love,  
You best believe I'm in love, L-U-V

I always saw you just before the dawn  
When all the other kids were just dragging along  
I couldn't believe the way it seemed to be  
Remember the things you used to say to me  
Oh, well, you know I can't be wasting time  
Cause I've got to have my fun  
I gotta get some fun  
I gotta keep on moving  
Can't stop till it's all done  
Ain't never done

Well listen when I tell you  
I got no time for fix  
Cause I just got to make a date  
Can't afford to miss  
There's one reason, I'm telling you this  
I feels bad  
and I'm a looking for a kiss

Won't you tell me why those kids are moving so slow  
Is it that they just don't have a place to go  
When the day starts breaking the sun is gonna shine  
It's hard to scream if I've been crying  
And all the old ladies they are on their way to church  
Do you go to church?  
I bet you have never been a lonely boy  
Never had to turn to a search  
Keep on searching

Well listen when I tell you  
I got no time for fix  
Cause I just got to make a date  
Can't afford to miss  
There's one reason, I'm telling you this  
I feels bad, bad, bad  
and I'm looking for a kiss

Well I'm looking for a real hot kiss  
C'mon kiss me

You think it's bad but you know it's true  
So why won't you look in here baby  
Cause I'm looking for a kiss

Everyone's going to your house to shoot up in your room  
Most of them are beautiful but so obsessed with gloom  
I ain't gonna be here when they all get home  
They're always pointing at me they won't leave me alone

I didn't come here looking for no fix  
Oh oh no  
I've been howling in the streets in the rain baby  
Just a looking for a kiss

I need a fix and a kiss  
I need a fix and a kiss  
I need a fix and a kiss  
I'm a looking for a kiss

I didn't come here looking for no fix  
Oh oh no  
I've been howling for you all night long  
Just a looking for a kiss
