

Bright Lights, Big City

Johnny Winter

Bright lights, big city
Went to my baby's head
Bright lights, big city
Went to my baby's head
I'd tried to tell the woman
But she wouldn't believe a word I said

It's all right pretty baby
You gonna need my help some day
It's all right pretty baby
You gonna need my help some day
You're gonna wish you listened
To some of those things I said

Go ahead pretty baby
Honey knock yourself out
Go ahead pretty baby
Honey knock yourself out
Will I still love you baby
Cause you don't know what it's all about

Bright lights, big city
Went to my baby's head
Bright lights, big city
Went to my baby's head
I'd tried to tell the woman
But she wouldn't believe a word I said

I'd tried to tell the woman
But she wouldn't believe a word I said
