

Don't Take Advantage of Me

Johnny Winter

Don't take advantage of me 'cause I'm good to you
Don't take advantage of me 'cause I'm good to you
I'm just another man hooked on you
Tell me baby what the hell you're gonna do

I wanna know
I wanna know
Yeah, uh-huh

Don't think I'm weak 'cause I'm sweet to you
Don't think I'm weak 'cause I'm sweet to you
Another man, another time
I'll wipe that stuff right out of your mind

I will
Yes I will
Yeah!

Yeah, don't take advantage of me
Wooo, I wanna know

Don't think I'm crazy 'cause I do what I do

Don't think I'm crazy 'cause I do what I do
It's another man, another place
I'll throw that mess right about in your face

I will
Yes I will
Woah baby!

Don't take advantage of me 'cause I'm good to you
Don't take advantage of me 'cause I'm good to you
Another man hooked on you
Tell me baby what the hell you're gonna do

I wanna know
I wanna know
Oh yeah
Oh yeah
Wow!
