

I Got My Brand on You'

Johnny Winter

I got my brand on you
I got my brand on you
I got my brand on you
I got my brand on you
There ain't nothin' you can do, honey
I got my brand on you

Oh, you may go away and leave me, girl
I declare you can't stay
You gon' come runnin' back
To me some lonesome day

I got my brand on you
I got my brand on you
There ain't nothin' you can do, darlin'
I got my brand on you

Oh, I'ma puttin' my brand
You know, baby, on no certain part
But whenever I kiss you
I stab it in your heart

I got my brand on you
I got my brand on you
There ain't nothin' you can do, baby
I got my brand on you

Oh, I got you like a fish, baby
You know, hangin' on my line
I can reel you in
'Most any time

I got my brand on you
I got my brand on you
There ain't nothin' you can do, baby
I got my brand on you
