

I Hate Everybody

Johnny Winter

People may laugh but that don't bother me
People may laugh but that don't bother me
(Don't bother me)

I'm making lots of money baby
I'm happy as I can be
I can't holler mercy, that don't mean a thing
I can't holler mercy, that don't mean a thing
(Mean a thing)

The world's all sinning
That's why I love to sing, love to sing
If I ain't drunk it's only because I'm high
Yeah if I ain't drunk it's only because I'm high
(Because I'm high)

I couldn't find you, I'm everyday at the sky
Well, I may be crazy
But man at least I'm cool
I may be crazy but man at least I'm cool
(At least I'm cool)

I may be all out of luck but I ain't nobody's fool
