

Just a Little Bit

Johnny Winter

I don't want much
Just want a little bit
Don't want it all
Just a little bit

Give me an eeny-weeny bit
A teeny-weeny bit of your love

Turn your lamps down low
Slip me a kiss
Turn your lights down low
I won't let you resist, ooh

I want an eeny-weeny bit
A teeny-weeny bit of your love

Early in the mornin'
Well, just a little bit
Around midnight
Just a little bit

I want an eeny-weeny bit
A teeny-weeny bit of your love

Ooh, walk with me
Just a little bit
I said, talk to me
Just a little bit

I want an eeny-weeny bit
A teeny-weeny bit of your love, oh

I want you to remember
To say that you'll be mine
Say you'll never leave me
Till the end of time

I want an eeny-weeny bit
A teeny-weeny bit of your love

I want an eeny-weeny bit
A teeny-weeny bit of your love
