

Kind Hearted Woman

Johnny Winter

I got a kind hearted woman, she'd do anything in this world for me

I got a kind hearted woman, she'd do anything in this world for me

But the evil-hearted women, you know they just won't let me be

If you got a good friend, let her stay right by your side

If you got a good friend, let her stay right by your side

In all your bad times, love and treat her right

Woke up this mornin' by a knockin' at my door

You know I woke up this mornin', somebody knockin' at my front door

I said "hello Satan, I believe it's time to go"

Me and the Devil go a-walkin' side by side

I said me and the Devil just go a-walkin' side by side

Lord I ain't gonna be back woman 'till I'm satisfied

I got a kind hearted woman, she'd do anything in this world for me

I got a kind hearted woman, she'd do anything in this world for me

But all the evil-hearted women, Lord they just won't let me be

When I die, bury me by the highway side

When I die, woo Lord, bury me by the highway side

So my old evil spirit can catch a Greyhound bus and ride
