

# Maybellene

Johnny Winter

Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin' the things you used to do

As I was motivatin' over the hill  
I saw Mabellene in a Coup de Ville  
A Cadillac arollin' on the open road  
Nothin' will outrun my V8 Ford  
The Cadillac doin' about ninety-five  
Bumper to bumper, rollin' side by side

Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin' the things you used to do

The Cadillac pulled up ahead of the Ford  
The Ford got hot and wouldn't do no more  
It then got cloudy and started to rain  
I tooted my horn for a passin' lane  
The rainwater blowin' all under my hood  
I know that I was doin' my motor good

Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin' the things you used to do

Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin' the things you used to do

The motor cooled down the heat went down  
And that's when I heard that highway sound  
The Cadillac asittin' like a ton of lead  
A hundred and ten half a mile ahead  
The Cadillac lookin' like it's sittin' still  
And I caught Mabellene at the top of the hill

Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin' the things you used to do
