

Route 90

Johnny Winter

Oh wont you come with me
To the land of dreams
Rollin' down Rt. Ninety, to New Orleans
Straight outta California to New Mexico
Gonna get a cup of coffee, in El Pas-o

Roll on through Comstock to San Antone
Gonna call my baby on the telephone
We'll pass through Katy and Houston too
Stop in Beaumont Texas, for some barbeque

Hot links and hog ribs, fillet gumbo

At the Bon Ton drivein, that's the place to go
Then Jennings and Crowley, Lake Charles and Rain
When you get to Lafayette boy, you'll see 'em cuttin' cane.

In Morgan City, where the shrimp boats land
Put a nickle in the juke box, you'll hear a Cajun band
Ain't ya glad you come along, boy, to the land of dreams?
Rollin' down Rt. Ninety, to New Orleans.
