

See See Baby

Johnny Winter

See-see baby, see what you have done
Lordy mama, no need to worry
See-see baby, see what you done done
Yeah, you've told me a lie, now your man done come

Whoah, I love your jivin' and the way you carries on
Lordy mama, no need to worry
I love your jivin' and the way you carry it on
Whoah, you've told me a lie, little girl, you know that's wrong

Look out, now!

That man don't love you, you know he told me so
Lordy mama, no need to worry
Your man don't love you, yes he told me so
Well he's just a-
jivin' you woman, he's in love with the girl next door

Oh see-see baby, see what you have done
Lordy mama, no need to worry
See-see baby, see what you done done
Yeah, you've told me a lie, little girl, you know that's wrong
