

Sweet Love and Evil Women

Johnny Winter

Well you heard about sugar daddy and the lovin' that he
can
Well you heard about sugar daddy and the lovin' that he
can
Well I go around the world collecting sugar, make you
sweetest in the land (yeah it does ...)

I get my sugar in the mornin' and I gives it out at
night
I get my sugar in the mornin', dispense it late at
night
What a way to get my lovin', don't you just love to
hear me right.

Let it on, let it on.

[Instrumental]

(What I crave !)

[Instrumental]

(Yes, yes)
(Come on man, set that place on fire !)

[Instrumental]

Let it roll, let it roll, what I crave
Let it roll, let it run, yeah all the world I crave
Need love and pretty women, like you're a good man in
that way.

[Instrumental]

(Yes, yes ...)
