

Treat Me Like You Wanta

Johnny Winter

You can treat me like you wanta honey
Use me like a tool
Well you treat me like you wanta
Use me like a fool
You know I'll be your man
But I ain't gonna be your fool

You know that people are talkin'
In my neighbourhood
Yeh you know that people are talkin'
In my neighbourhood
They tell me you don't love me,
That you don't mean me no good

Well when your rent is due
I know when you'll come around
But when I need some lovin' girl
You can't be found

You treat me like you wanta
Use me like a tool
Well I'll be your man
But I ain't gonna be your fool

[Instrumental]

You know we're playin' poker
And the last deal just went down
If you can't get it right
You'd better get out of town

You treat me like you wanta
Use me like a fool
Well I'll be your man
But I ain't gonna be your fool
