

# Who Do You Love

Johnny Winter

I walk 47 miles of barbed wire  
I use a cobra-snake for a necktie  
I got a brand new house on the roadside  
Made from rattlesnake hide

I got a brand new chimney made on top  
Made out of a human skull  
Come on take a walk with me, baby  
And tell me, who do you love?

Who do you love?  
Who do you love?  
Who do you love?  
Who do you love?

I rode around the town, use a rattlesnake whip  
Take it easy baby, don't give me no lip

Who do you love?  
Who do you love?  
Who do you love?  
Who do you love?

Tombstone hand and a graveyard mine  
Just 67 and I don't mind dying

Who do you love?  
Who do you love?  
Who do you love?  
Who do you love?

Baby took me by my hand  
She said, "Oohwee Bo, you know I understand."

Who do you love?  
Who do you love?  
Who do you love?  
Who do you love?

Night was dark, but the sky was blue  
Down the alley, the ice-wagon flew  
Heard a bump and somebody screamed  
You should have heard just what I seen

Who do you love?  
Who do you love?  
Who do you love?  
Who do you love?
