Lil' More Love

Ooh, oh Ooh, oh Ooh, oh Ooh, oh How many people know about That, that in the middle of the night love You know brown folks know what I'm talkin' about Y'all know what this is So, so def Ooh, it's midnight And I'm tappin' you on the shoulder I just got home from work And I wanna do you know what (Hey) Yeah, it's 12:02 And I'm slidin' up under the covers I'm leavin' on my socks 'Cause I got my mind on lovin' you Don't understand enough How we feel about, now you know When I get like this somethin' is gonna happen And you have the means to make me feel Like I'm welcome you got a lot but as sweet as candy I don't ever wanna stop, baby Give me just (A little more kissin') Baby, would you give me just (A little more feelin') Oh, give me just a little more love (Baby) Give me just (A little more touchin') Baby, would you give me just (A little more rubbin') Oh, give me just a little more love It's so special (When you come alive) It's so special (When you get it right) Ooh, it's so special (When you call my name) Mean what you say It don't take ya long to get in the groove of thangs To get in the move of thangs that you like and I like Lord, it only takes one touch To get you to do the thangs that I love so much

Baby, I'm a sucker for you Don't understand enough How we feel about, now you know When I get like this, somethin' is gonna happen And you have the means to make me feel like I'm welcome You got it a lot but as sweet as candy I don't ever wanna stop, baby Give me just (A little more kissin') Baby, would you give me just (A little more feelin') Oh, give me just a little more love (Baby) Give me just (A little more touchin') Baby, would you give me just (A little more rubbin') Oh, give me just a little more love Give me just (A little more kissin') Baby, would you give me just (A little more feelin') Oh, give me just a little more love (Baby) Give me just (A little more touchin') Baby, would you give me just (A little more rubbin')

Oh, give me just a little more love
