Jojo

(It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do)

Yo I don't know  
What you do when you do what you do boy  
But baby baby baby baby  
I don't even care no more  
You've got me so  
Caught up in ya spell, it's voodoo boy  
Well baby baby baby babe  
I wanna be there for sure

Cause every time that we rendezvous  
I don't wanna go back home  
And every time that I'm holding you  
There ain't no way to let you go  
You're shining down boy the game is through  
I don't wanna play no more  
Cause the only one that I want is you  
So tell me what you wanna do because baby

Cause I just can't stay away  
There's nothing that I can do  
And baby you can have your way  
Just as long as I can have you

And I'd do anything baby, do anything for ya  
And I'd do anything baby, do anything for ya

Now I've been told  
That you got you a few and you ain't sure  
But baby baby baby baby  
You gon wanna let em go  
Cause I've been sold  
On you, I don't check for dues no more  
Cause baby baby baby baby  
You the way I wanna roll

Cause every time that we rendezvous  
I don't wanna go back home  
And every time that I'm holding you  
There ain't no way to let you go  
You're shining down boy the game is through  
Listen I don't wanna play no more  
Cause the only one that I want is you  
So tell me what you wanna do because baby

Cause I just can't stay away  
There's nothing that I can do  
And baby you can have your way  
Just as long as I can have you

And I'd do anything baby, do anything for ya  
And I'd do anything baby, do anything for ya

I'm down anything, boy you and me  
It's the way you know it's supposed to be

Cause I would do anything for you baby  
I'm down anything, boy you and me  
Should be doin what comes naturally  
Baby cause I

Cause I just can't stay away  
There's nothing that I can do  
And baby you can have your way  
Just as long as I can have you

And I'd do anything baby, do anything for ya  
And I'd do anything baby, do anything for ya

Cause I just can't stay away (Ooh no)  
There's nothing that I can do  
And baby you can have your way  
Just as long as I can have you

And I'd do anything baby, do anything for ya  
And I'd do anything baby, do anything for ya
