

# Honest

Jojo

Trees lose their leaves to the snow  
Words cut like ice as you go  
No amount of covers could keep me warm  
And I've been freezing since the day you walked away

All you ever wanted was a free ride  
All I ever wanted was your love  
You gave it all away to start a new life  
I guess what I could give wasn't enough

You left me cold, cold, cold, co-o-o-old  
You left me cold, cold, cold, co-o-o-old  
You left me cold, cold, cold, co-o-o-old  
You left me cold, cold, cold, co-o-o-old  
You left me

Away, oh whoa, oh  
Away, oh whoa, oh

Why do we have to call it the nice shit?  
Why do we have to hide all of our vices?  
You just don't like it when I'm just open  
I'm not crazy, this isn't a crisis

I'm just tryna figure out if I'm in love  
It's not promiscuous, it's just owning it  
You need to let go of what a good girl does  
It's not that obvious, it's my prerogative

It might not be what you wanted  
But at least I'm honest  
At least I'm honest  
It might not be how you thought it  
But I'm not that heartless  
At least I'm honest  
It might not be what you wanted  
But at least I'm honest  
But at least I'm honest  
It might not be what you wanted  
But at least I'm honest  
At least I'm honest

You wanna call me names  
When I do what I do but you're doing the fuckin' same  
So don't look at me that way, like you thought I was a saint  
If I tell you the truth then there's nothing else to explain

I'm just tryna figure out if I'm in love  
It's not promiscuous, it's just owning it  
You need to let go of what a good girl does  
It's not that obvious, it's my prerogative

It might not be what you wanted  
But at least I'm honest  
At least I'm honest  
It might not be how you thought it  
But I'm not that heartless

At least I'm honest  
It might not be what you wanted  
But at least I'm honest  
But at least I'm honest  
It might not be what you wanted  
But at least I'm honest  
At least I'm honest

Away, oh whoa, oh  
Away, oh whoa, oh  
Away, oh whoa, oh  
Away, oh whoa, oh

Don't want you to be disheartened  
Tryna do the right thing  
Tell you the truth on how I'm feelin'  
That's gotta mean somethin'

It might not be what you wanted  
But at least I'm honest  
At least I'm honest  
It might not be how you thought it  
But I'm not that heartless  
At least I'm honest  
It might not be what you wanted  
(It might not be what you wanted)  
But at least I'm honest  
(But at least I'm always honest)  
But at least I'm honest  
It might not be what you wanted  
(It might not be what you wanted)  
But at least I'm honest  
(But at least I'm always honest)  
But at least I'm honest

Away, oh whoa, oh  
Away, oh whoa, oh
