

How to Touch a Girl

Jojo

Mmm

1. I think I could like you I already do
Feelings can grow but They can go away too
You're takin my hand Lookin into my eyes
Don't be in a rush to Get me tonight

R: Feel somethin happenin Could this be a spark?
To satisfy me baby Gotta satisfy my heart

Do you know how to touch a girl? If you want me so much
First I have to know Are you thoughtful and kind?
Do you care what's on my mind? Or am I just for show?
You'll go far in this world If you know how to touch a girl

Do you know how to touch, know how to touch a girl?
Do you know how to touch, know how to touch a girl?

2. I think I could like you But I keep holding back
Cause I can't seem to tell If you're fiction or fact
Show me you can laugh Show me you can cry
Show me who you really are Deep down inside

R: Do you feel somethin happenin? Could this be for real?
I don't know right now but tonight we'll reveal

Bring me some flowers Conversation for hours
To see if we really connect
And baby if we doOoh I'll be givin
all my love to you

Ohhh

Do you know how to touch a girl? If you want me so much
First I have to know Are you thoughtful and kind?
Do you care what's on my mind? Or am I just for show?
You'll go far in this world If you know how to touch a girl

Do you know how to touch, know how to touch a girl?

You'll go far in this world If you know how to touch a girl
