

# How to Touch a Girl

Jojo

Mmm

1. I think I could like you I already do  
Feelings can grow but They can go away too  
You're takin my hand Lookin into my eyes  
Don't be in a rush to Get me tonight

R: Feel somethin happenin Could this be a spark?  
To satisfy me baby Gotta satisfy my heart

Do you know how to touch a girl? If you want me so much  
First I have to know Are you thoughtful and kind?  
Do you care what's on my mind? Or am I just for show?  
You'll go far in this world If you know how to touch a girl

Do you know how to touch, know how to touch a girl?  
Do you know how to touch, know how to touch a girl?

2. I think I could like you But I keep holding back  
Cause I can't seem to tell If you're fiction or fact  
Show me you can laugh Show me you can cry  
Show me who you really are Deep down inside

R: Do you feel somethin happenin? Could this be for real?  
I don't know right now but tonight we'll reveal

Bring me some flowers Conversation for hours  
To see if we really connect  
And baby if we doOoh I'll be givin  
all my love to you

Ohhh

Do you know how to touch a girl? If you want me so much  
First I have to know Are you thoughtful and kind?  
Do you care what's on my mind? Or am I just for show?  
You'll go far in this world If you know how to touch a girl

Do you know how to touch, know how to touch a girl?

You'll go far in this world If you know how to touch a girl
