Mmm

- 1. I think I could like you I already do Feelings can grow but They can go away too You're takin my hand Lookin into my eyes Don't be in a rush to Get me tonight
- R: Feel somethin happenin Could this be a spark?

  To satisfy me baby Gotta satisfy my heart

Do you know how to touch a girl? If you want me so much First I have to know Are you thoughtful and kind?

Do you care what's on my mind? Or am I just for show?

You'll go far in this world If you know how to touch a girl

Do you know how to touch, know how to touch a girl? Do you know how to touch, know how to touch a girl?

- 2. I think I could like you But I keep holding back Cause I can't seem to tell If you're fiction or fact Show me you can laugh Show me you can cry Show me who you really are Deep down inside
- R: Do you feel somethin happenin? Could this be for real?
  I don't know right now but tonight we'll reveal

Bring me some flowers Conversation for hours To see if we really connect And baby if we doOoh I'll be givin all my love to you

Ohhh

Do you know how to touch a girl? If you want me so much First I have to know Are you thoughtful and kind?

Do you care what's on my mind? Or am I just for show?

You'll go far in this world If you know how to touch a girl

Do you know how to touch, know how to touch a girl?

You'll go far in this world If you know how to touch a girl
