

# Too Little Too Late

Jojo

1. Come with me, stay the night You say the words, but boy it don't feel right

What do you expect me to say (You know it's just too little too late)

You take my hand, and you say you've changed But boy you know your beggin' don't fool me

Because to you, it's just a game (You know it's just too little too late)

So let me on down,

Cause time has made me strong, I'm startin' to move on,

I'm gonna say this now,

Your chance has come and gone.

And you know...

R: It's just too little too late,

A little too wrong,

And I can't wait,

Boy you know all the right things to say

You know it's just too little too late

You say you dream of my face,

But you don't like me,

You just like the chase.

To be real, it doesn't matter anyway, (You know it's just too little too late.)

2. I was young, and in love, I gave you everything, but it wasn't enough

And now you wanna communicate. (You know it's just too little too late)

Go find someone else,

In lettin' you go, I'm lovin' myself,

You got a problem,

But don't come askin' me for help.

Cause ya know...

R:

I can love with all of my heart baby,

I know I have so much to give (I have so much to give.)

With a player like you, I don't have a prayer,

That's the way to live,

Bm A F#m E(may creatively pluck from here to the last E bef. chorus)

Yeah, oh.

It's just too little, too late.

Yeah!

R:
