

# Springtime Can Kill You

Jolie Holland

Go down the back roads, don't take it too slow  
You don't have the time for a long flirtation  
You don't have the time for the least hesitation

Roses all are blooming  
Lilacs all aglow  
Honeysuckle vine shine, shine  
Oh, get out, oh, get out of your house

Springtime, springtime can kill you  
Just like it did poor me  
Don't you see we're all hurt the same way  
So get out, so get out of your house

High on the moonshine bodies entwine  
Don't you see, it's better this way  
Don't you see, it's better this way

You can't be too shy  
You know the reason why  
If you don't go get what you need  
Something's going to break on the inside

Springtime, springtime can kill you  
Just like it did poor me  
Don't you see we're all hurt the same way  
So get out, get out of your house
