

Are You?

Jon Anderson

Are you gonna be with me tonight?
Are you gonna be my love tonight?
Are you gonna give your love tonight?
Are you gonna be with me tonight?
You're so sweet, you're so love
You're so good, you're so right
You're so sweet, you're so love
You're so good, you're so right
Are you gonna be with me tonight?
Are you gonna be my love tonight?
Are you gonna give your love tonight?
Are you gonna be with me tonight?
Dance so sweet, dance your love
Dance so good, dance so right
Dance so sweet, dance so good
Dance your love, dance so right
Are you gonna be with me tonight?
Are you gonna be my love tonight?
Are you gonna give your love tonight?
Are you gonna be with me tonight?
You're so sweet, you're so love
You're so good, you're so right
You're so sweet, you're so love
You're so good, you're so right
Come with me tonight
Come with me tonight
Hold me closer
Come with me tonight
Hold me tightly
You look so good, dance so sweet
You're looking so good, dance your love
You look so sweet, dance so good
I love you so, dance so right
You look so good, you're so sweet
You dance so real, you're so love
Come hold me tight, you're so good
Be mine tonight, you're so right
