

# Heaven's Love

Jon Anderson

Even if things don't work out right, who knows which way it goes  
Any time will tell if you wanna be, if you want a life that's good  
Everything that comes to you each time, no matter how it ties  
No matter how it breaks, no matter what it takes to know that you  
Believe in you  
Something tells me you believe in you  
Always try to touch the sky in you  
Don't forget that we believe in you, you  
Even when things just twist you round  
Your dreams come flying down  
Going in a spin don't know what you got  
Don't know what you got to bring it in  
People can turn you on yourself even when you gotta sell  
'Cos everything's about, everything you do  
When you go around, you're never gonna let it through  
All because you let them get to you  
Always when inside you've got Heaven's love  
Don't forget that you were made for loving  
Yeah, yeah, yeah, yeah  
I guess they call it Heaven's love  
Yes they call it, Heaven's love  
Guess they call it, Heaven's love  
All because you, yeah, experiment with your life  
Always when you try, call it heaven's love  
Don't forget that you were made for loving  
You were made for loving, loving, loving  
I guess they call it Heaven's love  
Yes they call it, Heaven's love  
Guess they call it, Heaven's love
