Oh, holy night The stars are brightly shining It is the night of our dear savior's birth Long lay the world In sin and horror crying Till He appeared And the soul felt more alive The thrill of hope The weary world rejoices For yonder breaks A new and glorious morn CHORUS Fall on your knees Oh, hear the angel voices O, night divine O, night when Christ was born Truly he taught us To love one another His law in love And His gospel in peace Chains shall He break For the slave in our brother And in His name all oppression shall cease Sweet hymns of joy A grateful chorus sing we Let all within us praise His holy name CHORUS O night divine O night when Christ was born O night divine O night O night divine O night divine O night divine
