Jon Anderson

Save all your love  
To be a better child  
To be a better child  
This one ach of good  
Blessed forever  
Blessed forever  
Midnight singers, midnight high  
Sister mercy is in my hour  
Midnight lyrics, midnight song  
Bringing all that's pure to light  
Bringing all that's pure to life  
Byt the grace of God  
A child has born
