

## State of Independence

Jon Anderson

State of life, may I live, may I love  
Coming out of the sky I name me a name  
Coming up silver word for what it is  
It is the very nature of the sound of the game  
Siamese, Indonese to Tibet  
Treat the life as a game if you please  
Coming up Caribbean sense of freedom  
Derives from a mediative state  
Moving on, believe that's it  
Call it magic Third World  
It is, I only guessed it  
Shah blam ee dee  
Shah blam ee dah  
Shot to the soul  
The flame of Aura'ladin  
The essence of the word  
The state of independence  
Sound like a signal from you  
Bring me to meet your sound  
And I will bring you to my heart  
Love like a signal you call  
Touching my body, my soul  
Bring to me, you to meet me here  
Home be the temple of your heart  
Home be the body of your love  
Just like holy water to my lips  
Yes, I do know how I survive  
Yes, I do know why I'm alive  
To love and be with you  
Day by day by day by day  
Say yea yea yea yo  
Yea yea yea yo  
Be the sound of higher than today  
Time again it is said we will hear  
We will see it all in this wisdom here  
This truth will abound the land  
The state of independence shall be
