

To the Runner

Jon Anderson

Hold come a day dream
Ask a flower to kneel
as you pray to the runner
Spurn all ye kindle
and cradle his sweet pleasure
as you just look
farther and farther beyond him,
beyond him, beyond him
Call for the giver, the taker
rejoicing
as you just look
farther and farther beyond him,
beyond him, beyond him
Spurn all ye kindle and cradle his sweet pleasure
In it all
to the devil take
In it all
to the devil take
