

Under the Sun

Jon Anderson

I may not always be the one
But until something comes along
It's never easy but I know
Without you where would I go?
I may not always stoop to win
Cause we can change how we begin
I won't deny my brothers sight
Without them how will I fly?
Same chance
Same time
Come along
How can I tell yo uwhat to be
When you're the best judge of yourself?
You hold a power so unique
You have the power to change your world
Same chance
Same steps along the way
Same chance
Same time
I may not always be the one
But until something comes along
It's never easy but I know
Without you where would I go?
You may not always see me win
Doesn't mean I won't be dreaming
I can stand as tall as the sky
With this feeling
Wanting only just to be with you
Same time
Same place under the sun
Same chance
See, it's almost there!
Wanting only just to be with you
To be near you this time
