

Hands On U

Jon B.

How long has it been
Since someone gave it to you through the night?
How you like had your body shaking
A hundred miles an hour brought the freak in you on out

Later on tonight, yeah, gonna get right down to it
We gon' do it, do it, do it
And I'll try not to bite
But right now the dog in me is calling, yeah

I can't wait till I get my hands on u
I'm gon' do it all, have you climbing up the wall
Scratchin' up my back that's how you gon' act
'Cause once I break you off, ain't no going back

So your place or mine, girl, I'll let you decide
Just where you want it to go down
And I won't waste no time
So girl, I hope your getting ready to do some sweating

Later on tonight, gonna get right down to it
Gon' do it, do it, do it
And I'll try not to bite
But right now the dog in me is calling

I can't wait till I get my hands on u
I'm gon' do it all, have you climbing up the wall
Scratchin' up my back that's how you gon' act
'Cause once I break you off, ain't no going back

Girl, you're gonna think it's two of me
When your, your body start to feel the heat
You're in for one hell of an evening
That could easily turn into a weekend

I can't wait till I get my hands on u
I'm gon' do it all, have you climbing up the wall
Scratchin' up my back that's how you gon' act
'Cause once I break you off, ain't no going back

I can't wait till I get my hands on u
I'm gon' do it all, have you climbing up the wall
Scratchin' up my back that's how you gon' act
'Cause once I break you off, ain't no going back

I can't wait till I get my hands on u
I'm gon' do it all, have you climbing up the wall
Scratchin' up my back that's how you gon' act
'Cause once I break you off, ain't no going back

I can't wait till I get my hands on u
I'm gon' do it all, have you climbing up the wall
Scratchin' up my back that's how you gon' act
'Cause once I break you off, ain't no going back

I can't wait till I get my hands on u
I'm gon' do it all, have you climbing up the wall

Scratchin' up my back that's how you gon' act
'Cause once I break you off
