

# Keep It Real

Jon B.

Me and You  
Been kickin' it for sometime  
Shorty, you ain't let me know what's on your mind  
I remember when cheatin' on my girl was once my steez  
But the love's so good  
You got me on my knees askin'  
Please can we?

Make love tonight  
Feel so right  
Hold you tight  
Take my sweet time  
To let you know how I am feelin' for you  
So tight, your love is right  
Keeps me up girl, all night  
I love the way you hook me up girl

Always hook you up, if you keep it real  
Your love girl, I'll keep it real  
You have got me stuck on how good it feels  
It feels so good to me my baby

Boy you know  
I'm sittin' here outta my mind  
'Cause I never thought I'd find  
Someone to spend my time with  
And the way you've opened up to me  
Lets me know  
That you're the one for me  
So tell me can we?

Make love tonight  
Feel so right  
Hold you tight  
Take your sweet time  
Boy let me know how you feel  
Your lovin' is  
So tight, your love is right  
Keeps me up boy, all night  
I like the way you give it to me

Always hook you up, if you keep it real  
Your love girl, I'll keep it real  
You have got me stuck on how good it feels  
It feels so good to me my baby

Yo, realer than my late night creeps  
You understanding me  
The genuine article I can't fade sleep  
Jay-Z, the king of the one nights  
I can't stay forever, love  
I get it done right  
And I shall return to sweat out your perm  
Cutie I would truly do damage to your dooby  
That's the deal, ma  
That's the deal of the deal  
I keep it real, what

I keep it realer than real  
Word to my life...Jigga
