

# One Wild Night

Jon B.

It's a hot night, the natives are restless  
We're sweating by the light of the moon  
There's a voodoo mojo brewing at the gogo  
That would knock a witch off her broom  
We slither on in and shed our skin  
Make our way into the bump and the grind  
I'm passing by, she gives me the eye  
So I stop to give her a light

Na-na-na-na-na-na...alright!

One wild night (blinded by the moonlight)  
One wild night (24 hours of midnight)  
One wild night (I stepped into the twilight zone  
And she left my heart with vertigo)  
One wild, one wild, one wild, one wild night

Havin' as much fun as you can in your clothes  
Margarita had me feelin' alright  
Just might be I found religion  
I've been on my knees for half of the night  
I'm rolling the bones with Jimmy 'no dice'  
Gonna take him for a couple weeks' pay  
"Man, if you lose this roll I take your girlfriend  
home"  
So I stopped  
But you're not gonna believe who comes walking out

One wild night (blinded by the moonlight)  
One wild night (24 hours of midnight)  
One wild night (I stepped into the twilight zone  
And she left my heart with vertigo)  
One wild night (hey, c'est la vie)  
One wild night (welcome to the party)  
One wild night (live is for the living so You gotta  
live it up, come on let's go)  
One wild, one wild, one wild, one wild night

Na-na-na-na-na-na...

One wild night, one wild night  
One wild night (blinded by the moonlight)  
One wild night (24 hours of midnight)  
One wild night (I stepped into the twilight zone  
And she left my heart with vertigo)  
One wild, one wild, one wild, one wild night
