

Morning in America

Jon Bellion

1600, 1600, 1600 on the SATs
Said they gettin', said they gettin', said they gettin' me an SUV
Just a couple miles from the lights of the city
Pour a little liquor in my Starbucks Venti
Just 11, just 11 when they said I had the ADD

I've been trying to keep up with all of these great expectations
So I keep on faking

We're secretly out of control, nobody knows it
But my mom's got a problem with and she's angry
Cause my dad's [?], his door's always closed but I stop knocking
Yeah, we're secretly out of control and everyone knows
Oh, it's morning in America
Oh, it's morning in America
Oh, it's morning in America
Oh, it's morning in America

At the locker, at the locker, at the locker selling time reliefs
Where's the party? Where's the party?
Where's the party? There's a house empty
Didn't learn a lesson, didn't use protection, doesn't wanna keep the baby
Throwing up in the alley, in the alley, older brother looking for me

We're secretly out of control, nobody knows it
But my mom's got a problem with and she's angry
Cause my dad's [?], his door's always closed but I stop knocking
Cause there's some things I don't wanna know
We're secretly out of control, nobody knows it
When the past president overdosed, we all pretended
It was real, it was shocking and all the town was talking
Yeah, we're secretly out of control and everyone knows
Oh, it's morning in America
Oh, it's morning in America
And everyone knows
Oh, it's morning in America
Oh, it's morning in America

No, no
No, no
We're secretly out of control, nobody knows me
And my friends all addicted to porn, can't keep a girlfriend
Cause the great expectations got all us imitating
Yeah, we're secretly out of control and everyone knows

We're secretly out of control, nobody knows it
But my mom's got a problem with and she's angry
Cause my dad's [?], his door's always closed but I stop knocking
Cause there's some things I don't wanna know
We're secretly out of control, nobody knows it
When the past president overdosed, we all pretended
It was real, it was shocking and all the town was talking
Yeah, we're secretly out of control and everyone knows
Oh, it's morning in America
Oh, it's morning in America
And everyone knows
Oh, it's morning in America

Oh, it's morning in America
And everyone knows
