

You Really Got Me Now

Jon Bon Jovi

You're dancing with your shadow, you've been talking in your sleep
Well you can walk on water but don't want to wet your feet
You really got me
You really got me now
You know I don't know how you do it
But you really put me through it
You got me

You say you talk to everyone who is anyone in town
But they don't recognize you with your foot out of your mouth
You really got me
You really got me now
You know I don't know how you do it
But you really put me through it
You got me

Who am I to judge a man
Who says he's his own biggest fan, it's true

You brought a knife out to a gunfight and you're shouting that I'm dead
My old friends Smith and Wesson think you're in over your head
You really got me
You really got me now
You know I don't know how you do it
But you really put me through it
You got me
