

You Really Got Me Now

Jon Bon Jovi

You're dancing with your shadow, you've been talking in your sleep

Well you can walk on water but don't want to wet your feet

You really got me

You really got me now

You know I don't know how you do it

But you really put me through it

You got me

You say you talk to everyone who is anyone in town

But they don't recognize you with your foot out of your mouth

You really got me

You really got me now

You know I don't know how you do it

But you really put me through it

You got me

Who am I to judge a man

Who says he's his own biggest fan, it's true

You brought a knife out to a gunfight and you're shouting that I'm dead

My old friends Smith and Wesson think you're in over your head

You really got me

You really got me now

You know I don't know how you do it

But you really put me through it

You got me
