

# All of God's Children

Jon Foreman

When the things that you can't hold on to  
Are the things that you wish you could  
Are you really ready to pay for love  
If it costs you everything?

All of God's children  
All of God's children  
Shining underneath  
Shining underneath

I believe in a world that's beyond me  
I believe in a world I ain't seen  
Past the glass, and shotgun shacks  
Violent faceless racist facts  
I believe in a world that's made clean

All of God's children  
All of God's children  
Shining underneath  
Shining underneath

Ohhhh, yeeeeaaahhhh  
Underneath it all  
Underneath these scars  
Underneath it all  
Underneath our walls  
Underneath it all  
Underneath the bullet holes  
Underneath it all  
We still don't know who we are  
It's shining underneath  
It's shining underneath

Is there a well that won't run empty?  
Is there a friend that can't be bought?  
You'll find them when you're thirsty  
Learn the lesson that can't be taught

All of God's children  
All of God's children  
Shining underneath  
Shining underneath
