

You Never Know

Jon McLaughlin

I meet you and instantly do everything I can
To imitate the movie stars you speak of with your friends
Now I'm not one for show, yeah I never make a scene
But suddenly I'm nothing like the way I am normally

Cause I know I could love you the most
If I were the one you chose
You wouldn't ever have to walk alone
And there is not a thing I wouldn't do
If I lived my life for you
We could have everything because I know you...
Never know what you have 'til it's gone
No, you never know what you have

We'd probably have the kind of love that makes other couples blush
So we could make up words that make no sense but, oh, they mean so much
Now I know you're the kind of girl who could have any guy
So if I have to I don't have a problem waiting here in line

Cause I know I could love you the most
If I were the one you chose
You wouldn't ever have to walk alone
And there is not a thing I wouldn't do
If I lived my life for you
We could have everything because I know you...
Never know what you have 'til it's gone
No, you never know what you have
You never know what you have 'til it's gone
No, you never know what you have

I know I could love you the most
If I were the one you chose
You wouldn't ever have to sleep alone
And there is not a thing I wouldn't do
If I lived my life for you
We could have everything because I know you...
Never know what you have 'til it's gone
No, you never know what you have
You never know what you have 'til it's gone
No, you never know what you have
