

# Head Over Boots

Jon Pardi

I wanna sweep you off your feet tonight  
I wanna love you and hold you tight  
Spin you around on some old dance floor  
Act like we never met before for fun, 'cause

You're the one I want, you're the one I need  
Baby, if I was a king, ah, you would be my queen  
You're the rock in my roll  
You're good for my soul, it's true  
I'm head over boots for you

The way you sparkle like a diamond ring  
Maybe one day we can make it a thing  
Test time and grow old together  
Rock in our chairs and talk about the weather, yeah

So, bring it on in for that angel kiss  
Put that feel good on my lips, 'cause

You're the one I want, you're the one I need  
Baby, if I was a king, ah, you would be my queen  
You're the rock in my roll  
You're good for my soul, it's true  
I'm head over boots for you

Yeah, I'm here to pick you up  
And I hope I don't let you down, no, 'cause

You're the one I want, you're the one I need  
Baby, if I was a king, ah, you would be my queen  
You're the rock in my roll  
You're good for my soul, it's true  
I'm head over boots for you

You're the one I want, you're the one I need  
Baby, if I was a king, ah, you would be my queen  
You're the rock in my roll  
You're good for my soul, it's true  
I'm head over boots for you

I wanna sweep you off your feet tonight  
I wanna love you and hold you tight  
Spin you around on some old dance floor
