

# Coming Out Of The Dark

Jon Secada

Why be afraid if I'm not alone  
Though life is never easy the rest is unknown  
Up to now for me it's been hands against stone  
Spent each and every moment  
Searching for what to believe

Coming out of the dark  
I finally see the light now  
It's shining on me yeah  
Coming out of the dark  
I know the love that saved me  
You're sharing with me

Starting again is part of the plan  
And I'll be so much stronger holding your hand  
Step by step I'll make it through I know I can  
It may not make it easier but I have felt you  
Near all the way

I stand on the rock of your love  
Your love is all it takes, no matter what we face
