

## Free

Jon Secada

I'm hooked on this feeling  
On needing you so  
Got my heart believing  
Without you I couldn't go on

If this were the last time  
We had to do this  
I would to do anything  
Just to make it on my own

I wanna be free  
But there's someone else  
She's got me fallen  
Wherever I go  
She's all I see  
Don't wanna give in  
I wanna be free

Wake up in the morning  
She's right there on my mind  
It's the strangest of feelings  
Wouldn't change it even if I tried  
I can't imagine what it would be like  
Girl if you set me free  
From the hold you've got on me

In the shelter of your arms  
I get lost inside your eyes  
No matter what I do  
I can't break away from you  
The love that's in my heart  
Belongs to you
