

It's Enough

Jon Secada

Out of sight then out of mind
It's not as easy as I expected
Is the reality I find
And it's sad to hear it
And it's sad to talk about it
Cause, baby, I still need you
Feel the need to hold you
Baby, I still care.

It's enough to know
That I'm always gonna love you
All my life
And to let you go
It's enough to say goodbye.

What I wanted, what I want
Are simply not the same things
But it's too late to turn back time
Still I want to tell you
That I'll always be right here for you
No matter where you go
No matter what you do.

It's enough to know
That I'm always gonna love you
All my life
And to let you go
It's enough to say goodbye.
