

Just Another Day

Jon Secada

Mornings alone
When you come home
I breath a little faster
Every time we're together, oh whoa
It'd never be the same
If you're not here
How can you stay away, away so long.

Why can't we stay together
Just give me a reason
Give me a reason.

I, I don't wanna say it
I don't wanna find another way
Make it trough the day without you
I, I, I can't resist
Trying to find exactly what I missed
It's just another day without you
It's just another day oh

Making the time
Find the right lines
To make you stay forever
What do I have to tell you

I'm just trying to hold on to something
(Trying to hold on to something good)
Oh Give us a chance to make it.
To make it, no no no

Don't wanna hold on to never
I'm not that strong
I'm not that strong.

I, I don't wanna say it
I don't wanna find another way
Make it trough the day without you, no-oh
I, I, I can't resist
Trying to find exactly what I missed
It's just another day without you, no-oh

Why can't you stay forever
Just give me a reason
Give me a reason.

I, I don't wanna say it
I don't wanna find another way
Make it through the day without you
I, I, I can't resist
Trying to find exactly what I missed
It's just another day without you.

I, I don't wanna say it
I don't wanna find another way
Make it through the day without you
I, I, I can't resist
Trying to find exactly what I missed

It's just another day without you.
