

Love's Tears

Jon Secada

Lady,
Don't be discouraged as to what we can do,
Where we can go.
Woman,
Don't you be worried as to what we don't know,
But what the future holds

So hold on
We can survive
With destiny on our side

Love's tears
Won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so

Lady,
Can you imagine the beauty within
When tenderness grows
Tell me
Is there always a reason
For all that we do
If love's really true

So help us
Turn every stone
Till all our fears are gone

Love's tears
Won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so

So hold on
We can survive
With destiny on our side

Love's tears
Won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so
