

# Love's Tears

Jon Secada

Lady,  
Don't be discouraged as to what we can do,  
Where we can go.  
Woman,  
Don't you be worried as to what we don't know,  
But what the future holds

So hold on  
We can survive  
With destiny on our side

Love's tears  
Won't let me cry  
They get in the way of what I feel inside  
There's so much more that I want to show  
But deep in my heart  
Love's tears are drowning me so

Lady,  
Can you imagine the beauty within  
When tenderness grows  
Tell me  
Is there always a reason  
For all that we do  
If love's really true

So help us  
Turn every stone  
Till all our fears are gone

Love's tears  
Won't let me cry  
They get in the way of what I feel inside  
There's so much more that I want to show  
But deep in my heart  
Love's tears are drowning me so

So hold on  
We can survive  
With destiny on our side

Love's tears  
Won't let me cry  
They get in the way of what I feel inside  
There's so much more that I want to show  
But deep in my heart  
Love's tears are drowning me so
