

# One Of A Kind

Jon Secada

Life is sweet  
Knowing you found what you've always been  
Looking for  
That's how I feel about you  
Everything that you do  
It's ecstasy  
True moments of passion never die  
When I hold you in my arms  
And hear to tenderly sigh

Our love is one of a kind  
Make no mistake, make no mistake  
Our love is one of a kind  
Make no mistake, make no mistake

I don't know  
exactly what I was looking for  
But once I held you I knew  
Nobody else could ever do  
In the heat of love  
Decisions we make may no all be real  
But one thing I know for sure  
Is that I love you so

Our love is one of a kind  
Make no mistake, make no mistake  
Our love is one of a kind  
Make no mistake, make no mistake

Wanna make something real  
Show me how you feel

Life is sweet  
Knowing you found what you've always been  
Looking for  
That's how I feel about you  
Everything that you do

Our love is one of a kind  
Make no mistake, make no mistake  
Our love is one of a kind  
Make no mistake, make no mistake
