Here I am. Broken wings, quiet thoughts, unspoken dreams Here I am. Alone again and I need her now to hold my hand

She's all, she's all I ever had She's the air I breathe She's all, she's all I ever had

It's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
And when I look into her eyes
It's the way I feel inside
Like the man I want to be
She's all I ever need

So much time, so much pain, but there's one thing that still remains It's the, the way she cared the love we shared And through it all she's always been there

She's all, she's all I ever had In a world so cold, so empty She's all, she's all I ever had

It's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
And when I look into her eyes
It's the way I feel inside
Like the man I want to be
She's all I ever need

She's all, she's all I ever had It's the way she makes me feel It's the only thing that's real It's the way she understands She's my lover, she's my friend And when I look into her eyes It's the way I feel inside Like the man I want to be She's all I ever need

She's all I ever need
When I look into her eyes
It's the way I feel inside
Like the man I wanna be
She's all I ever need
Here I am
