

Tender Love

Jon Secada

Aya, I'm so in love with you my baby
I don't know what to do
Aya, I'm so in love with you my baby
I don't know what to do

Quiero llevarte conmigo a la playa
Y caminar por la arena mi nena
I need you baby to quench my desire
Just like a fire, feel it getting higher
Eres tan sexy, me pones crazy
And that's the way I like it shorty
Esa asi lo esta , que sirena bella
Se que se olvidan las penas

A tender love para siempre quiero yo
A tender love is what I need in my life
Me vuelvo loco cuando yo te pienso
Mi corazon se para y no lo entiendo
And now I'm falling in love with you my baby, baby

Aya, I'm so in love with you my baby
I don't know what to do
I need your tender love

Quiero bailar contigo apretado
Y desplazarnos de lado a lado
Para decirte lo que siento yo
Cuando toco tu cuerpo
Date la vuelta que quiero verte
Como te mueves tu suavemente
Es que no ves que quiero tenerte
En lo que eso es mi mente

Aya, I'm so in love with you my baby
I don't know what to do
I need your tender love
Aya, I'm so in love with you my baby
I don't know what to do
I need your tender love

Come on you know you got it on
Come on you know you got it on
Mami, you se lo que quires
Come on get it on

Ponte caliente
Ahora mismo darle
Baila con migo
Con el reggae style
Escucha lo que digo

Aya, I'm so in love with you my baby
I don't know what to do
I need your tender love
Aya, I'm so in love with you my baby
I don't know what to do
I need your tender love

Aya, I'm so in love with you my baby
I don't know what to do
I need your tender love
